

Planet Jr.

The greatest labor-saver and time-saver ever invented for the farm and garden are Planet Jr. tools.

A Planet Jr. does the work of 3 to 6 men; and does it better. Makes you independent of indifferent help—always ready for work; always able and willing. Made by a practical farmer who knows the every-day need of other farmers.

35 years' experience. Every Planet Jr. is fully guaranteed.

(No. 4) Planet Jr. Combined Seeder and Wheel-Hoe saves time, labor, seed and money. Almost all useful garden implements in one. Adjustable in a minute to sow all garden seeds, hoe, cultivate, weed, or plow. Pays for itself quickly, even in small gardens.

(No. 6) Planet Jr. Horse-Hoe and Cultivator will do more than any other horse-hoe made. Plows to or from the row. A splendid furrower, corner, roller, and horse-hoe; and unequalled as a cultivator.

Come and look over these up-to-date implements.
